Subject: Affidavit in Support of Ian and Elin Chavez
To Whom it may concern,

I am writing to confirm that I have known Ian and Elin Chavez for the past 5 years. I met Ian and Elin my freshmen year, their sophomore year (2021) as students at Portland Bible College, where we became fast friends and have remained close through the years.

I got to know Ian through classes, student leadership, and because of my friendship with Elin. Elin was my dorm leader freshman year, and then we got to be dorm leaders together the following year. They both went from being classmates, to being close friends.

We not only got to share a college experience, but got to lead our peers together as part of student leadership, go thrifting, and even third wheel the occasional movie date. They're relationship has stayed unified even in difficulty, as they've continued to love each other and those around them. Ian is a wonderful friend and is like a brother to me.

In 2022, Elin asked me to be her co-maid of honor, along with our friend Ally. Which meant getting to plan and be a part of her bridal shower in April of 2023, her bachelorette in June of 2023, and ultimately her and Ian's wedding day on June 7th, 2023.

They've both stood by me as consistent friends even after they got married. Even though we don't live close anymore, we've stayed in touch. I got to hear updates of their move to Ohio, and see their sweet baby on Facetime the day he was born. Ian and Elin are truly wonderful people, who I'm privileged to have as my friends.

Please feel free to contact me at (425) 395-6446 for any additional information.
I swear, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge.

Sincerely,
Anna Reiff
